**Subject:** RE: AR: Next Steps Electron

You brought up barriers and things we would need to be successful in the meeting. I want all of that for 404. Please also run your draft talking points thru Yvonne, Caitlin and Steven. Thank you so much Krista!

I am good with all of this!

So I capture everything that you have in mind for the “talking points for detailed convo with Corps” what is the timeline for this conversation AND what subject(s) you want to cover – i.e. 404 and 402 items? To include what we want to make sure the Corps assists us with? And?

**Cc:** Kenknight, Jeff <Kenknight.Jeff@epa.gov>  
**Subject:** AR: Next Steps Electron

Next Steps w/ leads:

1. Get into the field with Corp – (Krista/Yvonne – Charissa as backup)
2. Issue 308 (Steven and Krista)
3. Prepare talking points for detailed convo with Corp (Krista)
4. Work on referral. See Maslonka example. (Mickey/Caitlin)
5. Communication plan (formal Tribal Consultation?) (Mickey)
6. Internal briefing plan (Mickey)
7. Plan regarding NOI (Caitlin)
8. CID coordination (Steven/Caitlin)
9. Determine POCs for federal/state enforcement coordination meeting (Steven / Krista(?))
10. Set up federal/state enforcement coordination meeting (Steven / Krista(?))
11. 402 and 404 support (Charissa)

Even though this is 402 and 404, please keep all the files in Steven’s electron folder. Sync up to that electron

folder if needed.

Let's plan to touch base early/mid next week. I will find time on your calendars.

Thanks all for your thoughtfulness on this important matter,  
Mickey
